PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 65-23112

Dear Permit Holder:

The department acknowledges receipt of the statement of completion for submitting proof of beneficial use ("proof") form submitted for the above-referenced permit. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at:
www.idwr.idaho.gov.

On the statement of completion you wrote the names of the permit holders as Gary & Kelly Williams. The previous owner assigned his interest in the permit to Gary M. Williams only. If you would like to have the ownership changed to reflect both names as owners, an assignment of permit would be required. I have enclosed an assignment of permit for your convenience. The fee required for an assignment of permit is \$25.

If you have any questions about the field examination, please contact the **Western** Regional Office of the department in Boise at (208) 334-2190. If you have any questions about the assignment of permit, please call me at (208) 287-4952.

Sincerely,

Emalee Rushing
