Dear Ms. Gibson:

After several conversations with Mr. Shelley Keen concerning the reinstatement of a lapsed water right (84-12232) and a proof of beneficial use submission for that right, I am requesting that you review the request for reinstatement of that right in its current priority and allow the Department of Fish and Game to continue to develop the property and reservoir for its associated beneficial uses.

As an attachment to this request, I have included a list of accomplishments and timelines for the Deyo Reservoir construction. Please charge the \$50 dollar fee to PCA 31220 with the ABC code of C1NX. Please send the billing documents to:

Walt Poole

PO Box 25

If you have any questions about the project, please contact Joe Dupont, Idaho Fish and Game, Clearwater Region (Lewiston, ID) at 208 799-5010.

Sincerely,

Joe Dupont
