RE: Transfer for Alan and Millie Batt

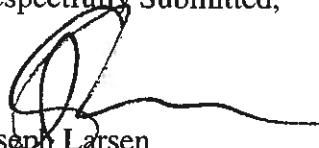

Dear Mr. Higgs,

After a more in-depth look at the Quitclaim Deeds provided to this Department there are a couple of issues that still need resolved.

- 1) There were no Quitclaims provided for Parcels RP04N37E257902 and RP04N37E257325 which by IDWR records are owned by Robert Cordingley and Giles Newman respectively (see enclosed map). These parcels contain acreages listed for the place of use of water right 25-7109. Without these Quitclaims we will be forced to reduce the transferable amounts.
- 2) IDWR records show different owners for Parcels RP04N37E251821, RP04N37E251940, and RP04N37E252300 then where supplied by you on Quitclaim Deeds (see map). IDWR records show the first parcel being owned by Chris and Heather Campbell and the later two by Charles Colby. This Department needs Warranty Deeds that shows the ownership changes from the owners listed on IDWR records and those supplied by you on the Quitclaim Deeds for these properties, this may take a series of Warranty Deeds to show ownership.

If you have any questions, please, feel free to contact me at (208) 542-2355.

Respectfully Submitted,

Joseph Larsen
Water Resource Agent
