

Joe,

Finally, here are the last 2 Quitclaim deeds on the Alan Batt transfer. The deed from Newman Giles has a stamp that is difficult to see. However, you can see it was recorded so the stamp must be good.

Please call me to ~~me~~ inform me as to what I need to do next.

Mr. Batt has to leave the country for a few years (Brazil) and I would like to have all information in before he goes.

Thank you for your help.
