RE: PERMIT NO. 63-31807

Dear Permit Holder:

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit, which extends the proof due date to **March 1, 2010**. Please note that the department granted this extension based on evidence of good cause. It is important that you work diligently toward the completion of this project during the construction period allowed, according to Section 42-204(5), Idaho Code.

According to the request that you filed your address has changed from what we had on file for this water right. Section 42-248, Idaho Code requires the owners of water rights to maintain current ownership and address information with the department. I have changed the department's database to reflect the new address and it is reflected in this letter. If the address as it appears is not correct, please notify me immediately. If in the future you have any changes to your mailing address, or the ownership of this water right, you may contact your local office of the department for proper forms, or these forms can be found on our website at: www.idwr.idaho.gov

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
