To Whom it May Concern,

My name is Darla Block, and I represent the Idaho Department of Water Resources. Our department made an attempt to mail you a copy of the Proof Due Notice Re: Water Permit No. 63-31877 in the name of Graham & Jordan Investors LLC. Our department has EHM Engineers Inc. listed as the representative for Graham & Jordan Investors LLC. I have attached a scanned image of the letter and the envelope that was returned to us as not deliverable as addressed. If you are still interested in remaining a representative for Graham & Jordan Investors LLC, please respond back to me with the correct address for future mailings. If you are no longer representing Graham & Jordan Investors LLC, will you please respond back by requesting that we have you removed from our database as their representative?

Sincerely,
Darla Block
