Re: Statutory Claim No. 94-4049 in name of Walter E Jensen

Dear Carole:

We are enclosing copies of documents and correspondence in our file for your reference. Notes of explanation are attached to some of those papers to help clarify some questions you have expressed.

In response to our conversation on August 4, 2006, and further checking the documentation in our file, we find no record of your responding to Al Beardslee's letter of April 16, 2003, requesting additional information, and the return of the **signed** Change of Ownership papers, together with the requested **copy of your power of attorney permitting you to sign for your mother**. At that time we also requested ownership records such as a **Deed, Title Policy, Contract of Sale, [...or even a copy of a death certificate...]** showing how title would have transferred to Winifred and/or to you from Walter.

Mr. Beardslee also sent paperwork for you to complete to file new water rights on other property owned by you or your mother. We have no record of ever receiving those papers back, either.

We are enclosing a new **Notice of Change in Water Right Ownership**, which we have **partially filled out**. You need to **complete the information required, sign it, and send it back to our office, together with proper documentation** showing chain of title from Walter to your mother and/or you.

If you will be signing on behalf of your mother, you need to **send us a copy of the Power of Attorney authorizing you to do so**.

You previously sent a check for \$25.00 to cover the fee for the change of ownership. We are **enclosing another copy of the receipt for your files**. (No further fee is required for the ownership change).

In order to file for water rights on the other property you own, we are again enclosing **Applications to Appropriate the Public Waters of the State of Idaho** for you to complete, **sign and return** to our office with the appropriate filing fees.

If you have questions concerning any of this, including filing for new water rights on your other property, please call Keith Franklin or me.

Sincerely,

Robert G. Haynes, P.E.
Regional Manager
