Re: Application for Transfer No. 75397 (Brackett Ranches)

Dear Ms. Macaw:

We are in receipt of your letter dated March 19, 2009 in which you expressed concerns about the approval of the above-referenced application.

The concerns that you have noted have been reviewed by this office, and your letter will be retained in the file. Please be advised that any water right issued by this office is conditioned to be "subject to all prior water rights." This does offer protection to any senior water rights you may have.

However, please note that in order to be a direct party in this matter you must file a Petition to Intervene in the protested matter accompanied by the required \$25.00 filing fee as set forth in the Department's Rules of Procedure.

If you need a copy of these rules, please contact this office. The Rules of Procedure are also available on the Internet by using the IDWR Homepage at the following electronic address:

<http://adm.idaho.gov/adminrules/rules/idapa37/0101.pdf>

If you have any questions or if this office can be of further assistance, please feel free to contact us.

Very truly yours,

Allen D. Merritt, P.E.
Southern Region Manager
