RE: Notice of Change in Water Right Ownership No(s). 63-15137

Dear Property Owner(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

We need you to provide evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. We also need a plat of Property or Survey Map that is usually on file with the county. You can mail these to the address above or fax them to 208-334-2348. I have enclosed a copy of the Notice of Change of Ownership you filed with our Department for your reference.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jean Hersley
Office Specialist II
Western Region Office
