RE: APPLICATION TO LEASE WATER RIGHT NO(S). 35-7246M, 35-7632A, AND 35-13609
TO THE WATER SUPPLY BANK

Dear Mr. Stewart:

The Department of Water Resources ("Department") has completed its review of your Application to Sell or Lease Water Right(s) to the Water Supply Bank ("Bank"). Based on that review, water rights 35-7246M and 35-7632A are not eligible for lease to the Bank at this time. You may resume use of these rights in accordance with the approval of each right.

Water right 35-13609 is accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptance. If you would like to withdraw your water right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification. A copy of the lease application review memo is enclosed that provides more detailed information about that review.

Water right 35-13609 will remain in the Bank for an "indefinite" lease term unless it is released earlier by the Board or upon request by the right holder. To change the term of the lease or to release the right from the Bank, you must submit a request in writing to the Department.

Please review the conditions of acceptance listed on the Lease Acceptance and contact me if you have any questions at (208) 287-4943.

Sincerely,

Aaron Marshall
Water Allocation Bureau
