Re: Water Right License 96-9204

Gentlemen:

The Idaho Department of Water Resources in reviewing the licensing process for the Kootenai Heights Water System found an oversight that needs to be corrected. The Proof of Beneficial Use, copy of which is enclosed, that was submitted on November 05, 2007 claimed a diversion rate of 0.04 cfs, of which no field examination fee is required and no fee was submitted. The field examination, however, indicated a diversion rate of 0.2 cfs not 0.04 cfs and subsequently a license was issued for the higher amount. A field examination fee of \$50.00 should have been collected when the Proof of Beneficial Use was filed.

To correct this oversight, please submit the required fee of \$50.00 to the Idaho Department of Water Resources at 7600 Mineral Dr., Coeur d'Alene, Idaho, 83815 at your earliest convenience. The Department apologizes for this inconvenience and if you have any questions, don't hesitate to contact me at this office.

Thank you.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
