Total Acres: 181.7

CONDITIONS OF APPROVAL

1. Rights 31-7614 and 31-7617 when combined shall not exceed a total diversion rate of 3.06 cfs, a total annual maximum diversion volume of 425 af at the field headgate, and the irrigation of 181.7 acres.
2. Prior to the diversion and use of water under Transfer approval 74640, the right holder shall install and maintain acceptable measuring device(s), including data logger(s), at the authorized point(s) of diversion and in accordance with Department specifications, or shall obtain an approved variance from the Department to determine the amount of water diverted from power records or to maintain an existing measuring device.
3. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 110.
4. A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.
5. This right when combined with all other rights shall provide no more than 0.02 cfs per acre nor more than 3.5 afa per acre at the field headgate for irrigation of the lands above.
6. The right holder shall provide an annual summary of pumping volumes to the department as public record.

WATER RIGHT NO. 31-7614
As Modified by Transfer No. 74640

CONDITIONS OF APPROVAL

7. The use of water for irrigation under this right may begin as early as April 1 and may continue to as late as October 31, provided other elements of the right are not exceeded. The use of water before April 15 and after October 15 under this remark is subordinate to all water rights having no subordinated early or late irrigation use and a priority date of 11/14/2003.
8. The following rights are also diverted through point of diversion described above: 31-7614, 31-7617
9. The right holder shall accomplish the change authorized by this transfer within one year(s) of the date of this approval.
10. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
11. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
