RE: Water Right No. 15-7223

Dear Mr. Simpson:

The Department is in receipt of the Licensing Amendment Form, the Assignment of Permit Form, and the additional fees that I requested in my last letter to you. Thank you for your efforts in gathering the necessary documents.

The Department does have a Notice of Change in Water Right Ownership on record and will use that document and the supporting evidence in the warranty deed to update ownership for this right since it is now a license. Therefore, I am returning the Assignment of Permit form to you and a copy will be retained in the file.

The warranty deed that was submitted indicates dual ownership between Peoa River Valley Ranch and Triple R Development LLC. Please be advised that the water right will reflect Peoa and Triple R as current owners pursuant to the warranty deed.

If you have any further questions or if I could be of any additional assistance please don't hesitate to contact me at (208) 287-4944.

Sincerely,
