RE: LEASE OF WATER RIGHTS 61-12200 AND 61-12202 TO THE WATER SUPPLY BANK

Dear Water Right Holder:

Idaho Department of Water Resources (Department) records show that water rights 61-12118 and 61-12181 were originally accepted into the Water Supply Bank (Bank) in their entirety on September 22, 2005, in the name of Peter Nielsen for an "indefinite" lease period. Transfer 74774, approved on February 6, 2009, split these rights into water rights 61-12201, 61-12202, 61-12199, and 61-12200. Department records show you as the owner of water rights 61-12199 and 61-12200. The following water rights remain leased to the Bank for an "indefinite" period as described below:

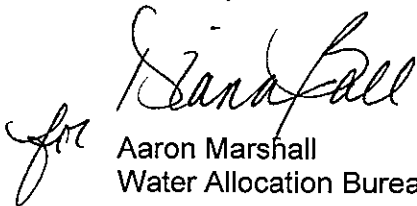

<u>Water Right No.</u>	<u>Lease Rate</u>	<u>Acre Limit</u>	<u>Total Leased Acres</u>
61-12200	0.01 cfs	0.9 ac	3.0 ac
61-12202	0.03 cfs	10.4 ac	3.0 ac

If you would like to change the term of the lease or remove all or a portion of the rights from the Bank, you must submit a request in writing or complete the attached Lease Term Extension and Release Form. The rights will remain in the Bank "indefinitely" unless released earlier by the Water Resource Board or until the right holder requests release of the rights from the Bank.

Please note, while a right is in the Bank, the owner of the right may not use the right even if the right is not rented from the Bank. Any violation of the terms of this lease may result in enforcement procedures pursuant to Idaho Code § 42-351 for illegal diversion and use of water, and may include civil penalties pursuant to Idaho Code § 42-1701B. Also consider that the five (5) year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the Bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the Bank.

If you have any questions, please contact me at (208) 287-4943.

Sincerely,

Aaron Marshall
Water Allocation Bureau
