CONDITIONS OF APPROVAL

1. Proof of application of water to beneficial use shall be submitted on or before **April 01, 2010**.
2. Subject to all prior water rights.
3. Upon specific notification by the Department, the right holder shall install a lockable device of a type acceptable to the Department in a manner that will provide the watermaster suitable control of the diversion.
4. The domestic use authorized under this right shall not exceed .02 cfs (9 gpm) and .6 acre feet per annum.
5. Domestic use is for 1 home and does not include lawn, garden, landscape, or other types of irrigation.
6. Use of water under this right shall be non-consumptive.
7. This right does not grant any right-of-way or easement across the land of another.
8. The use of water under this right shall not give rise to any claim against the holder of a senior water right based upon the theories of forfeiture, abandonment, adverse possession, waiver, equitable estoppel, estoppel by laches or customary preference.
9. Failure of the right holder to comply with any condition of approval is cause for the Director to void this permit.

This permit is issued pursuant to the provisions of Section 42-204, Idaho Code. Witness the signature of the Director, affixed at Boise, this 23 day of March, 2009.

DAVID R. TUTHILL, JR., Director
