RE: App For Transfer 71902

Dear Jim;

I have finally received a definitive answer from our Boise office as to what is required for us to continue processing of this transfer. Since the warranty deed from you to Waterford Partners did not specifically exclude your direct-flow rights from the Little Wood River, you need to obtain a written release from them agreeing to the transfer. There seems to have been a shakeup at Waterford; the latest contact I have for them is Richard Duncan, PO Box 2477, Hailey. I also show the mailing address for Waterford as PO Box 3310 in Ketchum. I do not know if James Laski is still involved with them.

Please submit the release letter by December 21 so that processing of your application can continue. If I do not receive the release by then, I will have no choice but to return the application to you and to request a refund of your filing fee.

Regards,

James E. Stanton
Sr. Water Resource Agent
