PROOF ACKNOWLEDGMENT LETTER

Re: Permit No. 63-32887

Dear Permit Holders:

The department acknowledges receipt of the proof of beneficial use ("proof") form submitted for the above-referenced permit. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have questions about the field examination, please contact the Western Regional Office of the department in Boise at (208) 334-2190 or Debbie Gibson at (208) 287-4942.

Sincerely,

Christine Roberts
Technical Records Specialist
