In Re SRBA

Case No. 39576

Fifth Judicial District
County of Twin Falls - State of Idaho

MAR 17 2009

ORDER OF PARTIAL DECREES

Water Rights: 75-02125 and 75-02166

(Raverty Revocable Trust)

Deputy Clerk

On January 11, 2007, the Idaho Department of Water Resources ("IDWR") filed its *Director's Report for Basin 75, Part I, Reporting Area 23, for Irrigation and Other Water Rights*, which included recommendations for the above-captioned water rights. No objections were filed and the time period for filing objections has expired.

On September 11, 2007, IDWR filed a *Notice of Completed Administrative Proceeding* and *Amended Director's Report* notifying the Court of a substitution of party in each of the above-captioned water rights. No objections were filed to the *Amended Director's Reports* and the time period for filing objections has expired.

Water right 75-02166 was recommended with an Aesthetic, Recreation, or Wildlife ("ARW") Purpose of Use. This right was withheld from decree because of pending objections in the SRBA regarding the ARW Purpose of Use. The objections involving the ARW Purpose of Use were ultimately designated as Basin-Wide Issue 14. On February 25, 2009, the Court approved an amended decree resolving Basin-Wide Issue 14. Therefore, the Court finds it is now appropriate to issue the *Partial Decrees* for the above-captioned rights.

Therefore, IT IS ORDERED that the above-captioned water rights are hereby **decreed** as set forth in the attached *Partial Decrees Pursuant to I.R.C.P. 54(b)*.
