Dear Mr. & Mrs. Jackson:

On September 5, 2006, the Department of Water Resources received the notice of change in water right ownership for the above listed water right. On April 5, 2008, the Department mailed a letter to you (copy enclosed) which requested evidence of water right ownership. As of this date, no response has been received.

As stated before in the previous letter, the Department cannot process the ownership change without the proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days, we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
Office Services Supervisor
