RE: Permit No. 95-9215

PROOF ACKNOWLEDGMENT LETTER

Dear Permit Holder:

The Department has accepted the proof and has reinstated the permit without a change of priority date. The enclosed order has been issued in response. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

Be advised that Section 42-248, Idaho Code requires the owners of water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have questions about the field examination, please contact the **Northern** Regional Office of the department in Coeur d'Alene at (208) 762-2800.

Sincerely,

Darla Block
