PROPOSED CHANGE OF WATER RIGHTS

Idaho Water Company of 1135 Valley Road South, Eden ID 83325 filed Application No. 73811 to transfer 6 water rights with priority dates from 1963 thru 1980 from ground water totaling 18.74 cfs and 4976 af for 1244 acres of irrigation. The transfer proposes to split the rights, retire 369 acres of irrigation at the current location, and provide 5.56 cfs and 1476 af to irrigate 369 acres in a new site. The new site will be about 20 miles to the northwest, adjacent to and south of I84 and adjacent to and east of Simco Road. This site will have up to 26 new wells.

Reduced use at the current location will irrigate 875 acres from 5 existing wells. The current location is between Mtn. Home and Mtn. Home Air Force Base near Division Road about 2 to 3 miles west of Hwy 51.

For specific details regarding the application, please contact the Idaho Department of Water Resources (IDWR) Western Region at 208-334-2190 or visit www.idwr.idaho.gov with detail provided under "new water right applications." Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Any protest against the proposed change must be filed with the Director, IDWR Western Region, 2735 Airport Way, Boise ID 83705-5082 together with a protest fee of \$25.00 for each application on or before April 6, 2009. The protestant must also send a copy of the protest to the applicant.
