Re: Applications for Transfer of Water Right Nos. 61-250 and 61-10345

To Whom It May Concern:

We own a portion of the current place of use for water right No. 61-250 and No. 61-10345 as evidenced by the ownership documentation attached to our transfer application. We are aware of three other transfer applications on right No. 61-250 and the transfer application on right No. 61-10345. As a family, we have agreed to split water right No. 61-250 evenly amongst the siblings and allow water right No. 61-10345 to be in James Norstebon's name for stockwater use on his property. Please process all five transfer applications accordingly.

Sincerely,

Robert A. Norstebon
