RE: APPLICATIONS TO LEASE PORTIONS OF WATER RIGHTS 35-2614, 35-7442,
35-13247, 35-13503, AND 35-13505 TO THE WATER SUPPLY BANK

Dear Lessor:

The Department of Water Resources ("Department") has completed its review of your applications to lease portions of water rights 35-2614, 35-7442, 35-13247, 35-13503, and 35-13505 to the Water Supply Bank ("Bank"). Review of your irrigation practices, satellite imagery, and land enrolled in the Conservation Reserve Enhancement Program, the portions of the rights accepted into the Bank are less than the portions offered. The offered water rights are accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptance. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification.

The accepted portions of the rights will remain in the Bank for an "indefinite" lease period unless the rights are released earlier by the Board or upon request by the lessor. To change the term of the lease or to release the rights from the Bank, the lessor must submit a request in writing to the Department prior to the release date.

Please review the conditions of acceptance listed on the Lease Acceptance and contact me if you have any questions at (208) 287-4943.

Sincerely,

Aaron Marshall
Water Allocation Bureau
