Re: Water Right No.: 31-11738

Attn: Heather Bohac

Idaho AgCredit, FLCA has a secured interest in the noted water rights. It is our understanding that Chad Larsen needs to make a small correction to this water right. It appears to me that the small correction for the place of use would not affect the irrigation of approximately 67 acres under this water right.

Please move forward with our concurrence. Let me know if you need any further information or have any questions.

Sincerely,
Idaho AgCredit, FLCA

Marc Fonnesbeck
Vice President
