RE: Notice of Security Interest for Water Right No's. 57-11763, 2-10239, 2-10241, & 57-2253

Dear Party Holding Security Interest:

The Department of Water Resources acknowledges receipt of correspondence adding security interest of the above referenced water rights to you. The department has modified its records to reflect the change in security interest and has enclosed a computer-generated report for your records. **However, regarding Water Right 57-2253 the security interest was not added. This is because no part of the submitted mortgage covers the appurtenant Water Right. A copy of proof report is enclosed so that you can see that No Place of Use corresponds to the mortgage. Please submit either a new water right number to have a security interest added to; or your intent for a \$25 refund.**

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Office Services Specialist
