Sharla Cox, Administrative Assistant
900 N. Skyline Drive, Suite A.
Idaho Falls, Idaho 83402

Dear Sharla,

This is in response Application for Transfer Number 74976. Despite our best efforts to work with the water users on what is known as the P-6 Ditch, a last minute protest came in as per your November 25, 2008 letter regarding the protest. Every effort was made to accommodate the water users, however a compromised was not reached.

This protest was a great detriment to the federally funded project and successfully blocked it's implementation as it was designed. Therefore, this letter is to inform you that a transfer will not longer be needed and we respectfully withdraw this transfer. Because funds for the transfer was expended through federal funding administered via Custer Soil and Water Conservation District, the District respectfully requests the return of the transfer fee of \$610.00. The funds should be returned to the Custer Soil and Water Conservation District at P. O. Box 305, Challis, Idaho 83226 as soon as possible.

Thank you for your assistance in this matter. Please feel free to contact Karma as soon as possible if you have any questions at 208-879-4428.

Sincerely,

Judith Madsen, Water Users

Karma Bragg, Project Manager, Custer SWCD
