Re: Transfer Evaluation

The applicant purchased this portion of original water rights 75-2179 and 75-10708. The purpose of this transfer is to add a point of diversion allowing the applicant to divert a location within the property owned by the applicant.

Authority to File:

The applicant has submitted warrantee deed for the place of use.

Water Right Validity:

These water rights are currently unobjected recommendations in the Snake River Basin Adjudication

Injury to Other Water Rights:

These water rights are not located within a water district.
Transfer will be advertised to determine any protests.

Enlargement of Use:

There is no evidence of enlargement of use.

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issue identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
