Sorry it took so long to get back with you. I have been in training all week. I messed up on writing the letter. I was waiting for you to get back with me letting me know everything was okay with me doing the letter. I checked my notes and saw I was to do the letter and IF there was a problem you would get hold of me. Sorry, my mistake. I will try and get the letter out by the end of next week.

Thanks for keeping an eye on this matter and keeping me in line.

Kevin

Morning Kevin,

My computer reminded me to connect with you about your HOA's water right 11-7292. I have not yet received a letter from you requesting a correction to the license.

Is it on the way?
