RE: Application to Permit No. 29-13878

Dear Mr. Jordan:

Southeastern District Health Department issued Randolph Hanson a subsurface sewage disposal permit on November 3, 2008, for lot 5 of Moose Creek Estates near Pebble Creek Ski Area near Inkom, Idaho. At this time this Department does not have any concerns with a shared well for lots 4 and 5 of Moose Creek Estates. The existing well on lot 4 is located so as to meet the required setbacks to the septic system and its replacement area.

If you have any questions please feel free to contact me at kkeller@phd6.idaho.gov or (208) 239-5276.

Sincerely,

Ken Keller
Environmental Health Specialist
