Re: Application for Amendment of Permit No. 37-8205

Dear Ms. Kelsey:

The Department of Water Resources acknowledges receipt of your application for amendment of a permit as referenced above.

This office has scheduled advertising the application in the **Idaho Mountain Express on 2/25 & 3/4/09**. A period of ten days following the second publication will be allowed for the submittal of protests. **(March 16, 2009)**

If the application is protested you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in about five weeks. State office personnel will conduct a complete review prior to final processing of the application and will notify you of the outcome of this review. A typical processing time for an un-protested application is about eight weeks.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
Administrative Assistant I
