WATER RIGHT NO. 71-10919
As Modified by Transfer No. 74715

CONDITIONS OF APPROVAL

1. Irrigation use under this right shall not exceed a total diversion rate of 0.22 cfs without prior approval of the Department.
2. This right when combined with all other rights shall provide no more than 0.02 cfs per acre nor more than 3.0 afa per acre at the field headgate for irrigation of the lands above.
3. This right is limited to the irrigation of 11.0 acres within the place of use described above in a single irrigation season.
4. Right 71-10919 authorizes the diversion of an annual total of 1.8 af to be used for aesthetic storage and recreation storage uses for the replacement of losses caused by evaporation from the 1.5 acre total surface area of one (1) pond authorized under Right 71-10921.
5. The right holder shall install and maintain an impermeable liner in the pond(s) associated with this right to eliminate seepage losses.
6. The approval of this transfer redefines all of the elements of this water right, and the new use of water authorized by this approval shall constitute the full extent of the right.
7. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 170.
8. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
9. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
10. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
11. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
