Re: Application for Permit No. 75-14466

Dear Ms. Cox,

Please reference your letter to us dated Aug 27, 2008 regarding the above application. We observed the referenced publications in the Recorder Herald on September 4th and 11th. Since we have not receive any copies of protests, we are assuming there were none, and therefore assume the application is at the State Office.

How do we find out about the status of our application? Summer is fast approaching and we would like to use the water this summer.

Thank you for your assistance.
