Re: Application For Permit to appropriate the Public Waters of the State of Idaho

Dear Mr. Poorman:

The Idaho Department of Water Resources is in receipt of your application, however, before processing can begin, the department has several questions of concern and needs clarification on the association's development. The best way to handle this would be for you or your representative to give me a call and schedule an appointment so we can discuss the issues. I can be reached at 208-762-2800 between 7am and 3pm weekdays.

Thank you.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
