Re: Application For Permit to Appropriate the Public Waters of the State of Idaho

Dear Mr. Poorman:

In processing your application, the Department discovered the property location, as stated on the application, is different from the BLM original surveys. Therefore, I have enclosed an electronic version of the application that includes the corrections. Please review the new application and if it meets with your approval sign and return the document to me, at your earliest convenience.

If you have any questions, feel free to contact me at this office.

Thank you.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
