Comments:

1. medl 12/18/2008 ownership

Comment: Parent right 98-7601 split into 98-7881 and 98-7882.

Parent right held by Edwin B Olson, Celeste J Olson and one of their sons, Robert E Olson. Edwin and Celeste Olson are both deceased. Change of address for Robert E Olson and Notice of Change in Water Right Ownership with split between brothers Robert E Olson and Gary W Olson was received in September 12, 2005 but without the necessary fee.

I was able to locate Gary Olson, and to successfully solicit the split fee and additional documentation from him. He provided death certificates for both parents and a duplicate of the quit claim deed that had been provided in the first round of documents. I had requested a warrantee deed in one of my phone conversations with Gary, but none have been submitted.

I believe that the Department has sufficient information to split the water right between brothers Robert Olson and Gary Olson. But without a warrantee deed to confirm that Gary Olson is the sole property owner of the portion in the SESE, or a quit claim deed giving Roberts interest in the SESE portion of the right to Gary, split 98-7882 will be put in both names.

From the Department perspective the water right split looks like this:

Parent 98-7601

SESW portion

Edwin

Celeste

Robert

SESE portion

Robert
