Comment: Updated Shape

3. medl 12/12/2008 ownership change
Comment: Ownership change splits 96-8267 into two parts by nature of use. Based on the analysis provided by Keith Franklin (IDWR Northern Region), I processed the ownership change as one, parallel, and simultaneous change of two parts rather than two sequential changes. I believe that was the intension when only one fee for \$100 was submitted.

Split portion 96-9407 (Philip and Patsy Barnhart) has the irrigation, irrigation storage and irrigation from storage uses.

Split portion 96-9408 (Steve and Melodee Barnhart) has the stockwater, stockwater storage and recreation storage.
