RE: Change in Ownership for Water Right No. 32-7B, 32-7006B, 32-7077, 32-10060A,
& 32-10086

Dear Water Right Holder(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership filed in June 2004. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Evidence of Water Right Ownership:** copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. The Settlement Statement and Closing Instructions provided are not sufficient evidence of ownership. Please provide our office with a Warranty Deed or other such document as listed above, including legal description of the property. Enclosed is a computer report of the water rights for your reference.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

If you have questions, please contact Kari Lynn Townsend at 208-287-4952.

Sincerely,

Kandice L. McDermott
