Jeanie,

Yes, please place a hold on further processing of the dairy transfers listed below. Thanks for your help.

Hi Jason,

We have been instructed to work on and try to reduce our backlog of transfers in the next 6 months. I just want to make sure that you want me to hold off on processing the following transfers until further notice. If you will respond back to this email, I can put copies in the files and put the files in our Hold Drawer and out of my backlog.

72185 - S9

72186 - PPU/companion transfer with 72185

72094 - K14

72095 - K102

72096 - D21

72427 - K13

72135 - S24

Thanks, Jeanie
