RE: Protest

Date: August 13, 2008

.....

Alan Sands called this morning to give me an update on what he is doing to resolve the protest of this application. He spoke briefly with Wayne Williamson this week and they will be meeting sometime after the first of September to discuss protest resolution. Mr. Williamson is trying to farm and working full time so this is a busy time for him and he does not have much spare time at the present. Mr. Sands is going to wait until he meets with Mr. Williamson before he tries to get a hold of Mr. Davies since he is recovering from heart surgery. Mr. Sands will call the 2nd week of September to update me on his progress. He thinks the protests can be resolved with a little more time.
