RE: CHANGE IN OWNERSHIP FOR WATER RIGHT NO(S). 34-10376,
34-61B (SPLIT INTO 34-14054 AND 34-14055),
34-92 (SPLIT INTO 34-14056 AND 34-14057),
34-117C (SPLIT INTO 34-14058 AND 34-14059),
34-896 (SPLIT INTO 34-14060 AND 34-14061),
34-10129 (SPLIT INTO 34-14062 AND 34-14063),
34-10130 (SPLIT INTO 34-14064 AND 34-14065),
34-10131 (SPLIT INTO 34-14066 AND 34-14067)

Dear Ms. Shosted:

The Idaho Department of Water Resources ("Department") acknowledges receipt of your correspondence changing ownership and splitting the above referenced water rights. The Department has modified its records to reflect the changes and has enclosed water right reports and a fee payment receipt for your records.

The total fee payment received with your notice was \$725.00. The notice indicates that ownership should be changed to your name for all or a portion of nine (9) water rights; 34-61B, 34-92, 34-117C, 34-896, 34-10129, 34-10130, 34-10131, 34-10376, and 34-2398. The fee paid is adequate for the split of seven water rights and one change in ownership not requiring a split. Based on the ownership documentation provided with your notice, you own 30 acres of land in the NW $\frac{1}{4}$ NW $\frac{1}{4}$ and 40 acres of land in the SW $\frac{1}{4}$ NW $\frac{1}{4}$ of section 28, Township 5 North, Range 26 East. Since water right 34-2398 provides water for irrigation of 32.0 acres in the NW $\frac{1}{4}$ NW $\frac{1}{4}$ and 38.0 acres in the SW $\frac{1}{4}$ NW $\frac{1}{4}$, this right should be split into two portions, a 68.0-acre portion in your name and a 2.0-acre portion remaining in the current owner's name. I have enclosed a water right report for your reference.

In a letter dated December 11, 2008, I notified you that an additional **\$100 filing fee** is required to change ownership of right 34-2398 since you own a portion of this right and it would be necessary to split this right into two portions. The additional information received by the Department on January 20, 2009, confirms that you own a 68-acre portion of this right and this right should be split into two parts. Because the Department cannot process the ownership change without proper fees, your notice will be held pending receipt of the necessary filing fee for water right 34-2398.

Your portion of the water right(s) has a specified point of diversion, nature of use, and place of use. If you plan on changing any of these, including adding a new point of diversion, then an Application for Transfer on your portion of the right is required. If you do not plan on changing any elements of your water right, then no further action is required at this time.

Please note that Idaho Code § 42-248 requires the owner of a water right to maintain current ownership and address records on file with the Department. Forms to file a change in water right ownership and/or a change in the address of the water right owner are available from any Department office or from the Department's website at: www.idwr.idaho.gov.

If have any questions, please contact me at (208) 287-4943.

Sincerely,

Aaron Marshall
Sr. Water Resource Agent
