**RE: NOTIFICATION OF WATER SUPPLY BANK LEASE EXPIRATION
WATER RIGHT NO. 63-12448**

Dear Lessor:

Idaho Department of Water Resources (Department) records show that all or a portion of the above referenced water right is leased to the Water Supply Bank (Bank) through 12/31/2008. This letter is notice that the right will be considered released from the Bank as of the above mentioned end date unless you advise the Department within thirty (30) days of the date of this letter that you want to extend the period of the lease. Notice should be submitted in writing or through the attached Lease Term Extension and Release Form.

If you would like the right to remain leased to the Bank, please specify the date to which you want the lease extended. All leases expire as of December 31 unless otherwise specified in the lease agreement. You may also request the right remain leased to the Bank for an "indefinite" period. In this case, the right will remain in the Bank indefinitely unless released earlier by the Water Resource Board or until the lessor submits a request to the Department in writing to release the right from the Bank.

Please consider that the five (5) year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the Bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the Bank.

If you have questions regarding this matter, feel free to contact me at (208) 287-4943.

Sincerely,

A handwritten signature in black ink, appearing to read 'Aaron Marshall', is written above the typed name.
