State of Idaho
Department of Water Resources
Water Right License

WATER RIGHT NO. 36-08782

CONDITIONS OF APPROVAL

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 36A.
2. Upon specific notification by the Department, the right holder shall install a lockable device of a type acceptable to the Department in a manner that will provide the watermaster suitable control of the diversion.
3. Domestic use is for 1 home.
4. The source of water diverted under this right is waste water and is subject to the right of the original appropriator, in good faith and in compliance with state laws governing changes in use and/or expansion of water rights, to cease wasting water, to change the place of use or manner of wasting it, or to recapture it.
5. Stockwater storage use if for 5 range cattle.
6. Any irrigation use occurring under this domestic use is authorized only in connection with a home.
7. The surface area of the storage facility and the area irrigated when combined shall not exceed 1/2 acre.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 3rd day of February, 2009.
