Re: Application For Amendment of Permit 95-9461

Dear Mrs. Melton:

As per our telephone conversation on January 28, 2009, please find enclosed an amended Application For Amendment of Permit 95-9461. The one you originally completed contained an error in the maximum diversion volume. The volume should have read 45 Acre-Feet instead of 54 Acre-Feet. If the amendment meets with your approval, please sign and return to me at your earliest convenience, so that I can finalize the association's license.

If you have any questions, don't hesitate to contact me at this office and I apologize for the inconvenience.

Thank you.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
