Please find enclosed a copy of a letter dated February 21, 1979 regarding a water right claim #65-7359-B in the name of Hill Top Water Association. Because properties that use the same well have been sold in recent years I thought it would be best to file the name of the association with the State of Idaho, but unfortunately the name Hill Top Water Association had already been used.

I've also enclosed a copy of a form dated July 06, 2008 filed with the State of Idaho for a new name for our well of Sunset Loop Water Association.

If possible, please let your records reflect that the water right claim of #657359-B be changed to the name of Sunset Loop Water Association.

I was not sure if it was necessary to send all this information to you but hopefully you can change your records reflecting the new name of Sunset Loop Water Association. Please let me know if this is not possible or if you have any questions regarding this matter.

Thank you.

Dear Mr. Williams:

This is to inform you that your claim (65-7359-B) to a water right in the Crown Point Subdivision #7 has been incorporated in a blanket claim 65-7359, in the name of Hill Top Water Association, for a community system for five families.

This claim was filed April 24, 1978 by Mary E. Monson acting as president for the association. You may already have been aware of this, but if not it is probably of interest to you to know that your right is covered by this action.

If you have any questions, please contact this office.

Sincerely,

FORREST E. LUTHY
Water Resource Agent
