PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 95-9198

Dear Permit Holder:

The Department acknowledges receipt of your statement of completion for proof of beneficial use ("proof") and a \$100.00 license examination fee, submitted for the above-referenced permit. The next step in the process of developing a water right is for the Department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

According to the proof statement, the mailing address for the City is different than the Department's records. I have changed the Department's database and is reflected in this letter. The address appears for any water rights in the City's name that are linked to our database. Be advised that Section 42-248, Idaho Code requires the owners of water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office, or at the Department's website at: www.idwr.idaho.gov

If you have questions about the field examination, please contact the Northern Regional Office of the department in Coeur d'Alene at (208) 762-2800.

Sincerely,
