Re: Water Right No. 95-8287

Dear Mrs. Smith:

In a recent review of the records for water right no. 95-8287, the Idaho Department of Water Resources ("IDWR") identified a discrepancy in the place of use description for this right. The water permit application describes the place of use as Township 47 North, Range 3 West, Section 11, Gov't Lot 2, a.k.a. Lot 30, Cedar Grove Tract. In the Beneficial Use Field Report, the examiner described the place of use as T47N, R4W, Sec. 11, Gov't Lot 2 (NE $\frac{1}{4}$ NW $\frac{1}{4}$). The water right license describes the place of use as T47N, R3W, Sec. 11, Gov't Lot 2 (NE $\frac{1}{4}$ NW $\frac{1}{4}$), with a condition indicating that the place of use is also known as Lot 30, Cedar Grove Tract. Kootenai County Assessor's Office records show that the land at the location described on the water right license is currently owned by John R. Katovich, Jr. A water right report and map is enclosed for reference.

IDWR records show Norman Johnson as the owner of water right no. 95-8287. County records show you as the owner of lots 29, 30, and 31, Cedar Grove Tract, which are located in T47N, R4W, Sec. 11, Gov't Lot 2 (NE $\frac{1}{4}$ NW $\frac{1}{4}$). As a land owner, you also own the water rights appurtenant to the same property. To correct the place of use description for this right and to change ownership of the right as required by Idaho Code § 42-248, there are two options you may pursue. The first option is to file a claim in the North Idaho Adjudication to change the place of use description and to change ownership of this right to your name. The cost of filing a claim for this right is \$25.00. The second option is to request an amendment of the water permit. Once the permit is amended, a new license can be issued with the corrected place of use description and ownership. The cost of filing an application to amend a permit is \$50.00.

Water right and adjudication forms are available at any IDWR office or from the IDWR website at <http://www.idwr.idaho.gov>.

If you have any questions, please contact me at (208) 287-4943.

Sincerely,

Aaron Marshall
Sr. Water Resource Agent
