RE: Revised Application for Transfer – Charles and Janice DeGroot

Dear Ms. Edl,

Enclosed, please find a revised Application for Transfer in the name of Charles and Janice DeGroot. This revised application includes the modifications you requested regarding the original filing made on February 22, 2006. The modifications include signatures from both Charles and Janice, a modified land list for the commercial use, and total acreage description in the permissible place of use.

Please note that this revision includes two new points of diversion, instead of one. This change is made to provide flexibility to the owner for locating a future well/replacement well. Also, please note that the wells are now described to the nearest 40 acre track. These modifications are made now so that in the event a well develops a problem in the future, it will be easier to locate a new/replacement well.

If you have any other questions, please call. I look forward to the continued processing and approval of this transaction.

Regards,

Steven R. Hannula
