RE: Letter of 5/9/2008

Date: May 21, 2008

.....

Norm Batt contacted me and we discussed the letter I sent on May 9, 2008. He stated that he was not aware that the water right from a well on property owned by him was not his property to "move" around where ever he wanted to use it. He also stated that the well and water right under 63-11700 had been sold with the property. We discussed the expansion issue and he is going to look into this further.

He requested a copy of Claim 63-4428 filed in the SRBA and a listing of consultants that he could discuss this matter with. I have mailed the requested information to Mr. Batt this day, along with the map I had prepared showing the overlap between 63-11700 and Recommendation of Rt. 63-4428.
