RE: Water Bank Application/Water Right #37-20932

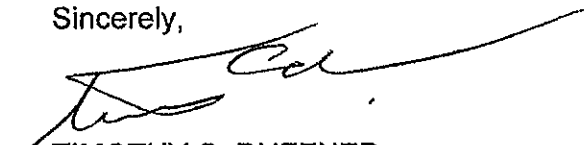

Dear Mr. Marshall,

In March of 2008, this office submitted an "Application to Lease a Water Right to the Water Supply Bank" to your office for water right #37-20932. Our application offered the water right for lease through April 1, 2009. Subsequent correspondence with you has indicated that the water right was accepted into the water bank and that the lease period could be extended via a letter of request.

We respectfully request an extension of the lease period of water right 37-20932 to the water supply bank through December 31, 2009.

If you have any questions, feel free to contact me at 208-324-2561.

Sincerely,

TIMOTHY C. DUFFNER,
Area Manager
