Dear Aaron,

Enclosed please find an application to place the State of Idaho's water right 37-20932 into the Water Supply Bank. We are still working with the Hiawatha Canal Company to secure their letter of consent for the application. However, we wanted to get the main portion of the application to you for your consideration. We will forward the response that we get from the Canal Company to you as soon as possible.

Thank you for your consideration of our application.

Sincerely,

MERIBETH LOMKIN,
